# The Back Story

After its beginning in a living room 25 years ago, Granger Community Church has attendees in the US, India, Singapore, the Philippines, Canada and the UK. We're a church with many locations—from 5,000 at the Granger Campus, to 20 people at a prison re-entry center, to 400 people at the RV Hall of Fame in Elkhart, to 100 people at Monroe Circle Community Center and more than 1,500 gathering weekly online from all over the world. We're a church with many expressions—hipsters and adrenaline junkies, accountants and artists, conservatives and liberals. The world is our gathering place—with café tables, bus stop benches and cubicles as our pews and conversations as our sermons.
