

Online Giving

We serve Jesus to not only help improve the quality of life for our congregation, but for our entire community. It's not just in what we say, but what we do, how we live and how we give.

I'M PART OF GRANGER COMMUNITY CHURCH

Tithing is not an activity but part of my identity in Christ. I'm committed to helping people grow closer to Christ and each other.

I WANT TO ACCELERATE *THE NEW NORMAL PROJECT*

I want to step out in faith to give over and above my regular tithe to back The New Normal Project. My additional investment will go further than current ministry operations to help fund new sites, new technology, new expressions and new educational environments.

Every Dollar Counts

Do you know how hard your money works? Here are a few examples:

\$50: Supports one 1/2 hr session of crisis counseling.

\$100: Average weekly cost of curriculum for Kids Ministry.

\$200: Average weekly cost of programming for kids at Monroe Circle Community Center.

\$250: Average cost for traffic control each weekend.

\$350: Average cost of electricity for one day.

\$400: Cost for one middle school student to attend summer camp.

I WANT TO MAKE A DONATION

I'm not ready to tithe, but I feel led to support one of these causes.

Environments & Value

Honor God by caring for the church property, technology and staffing necessary to create inviting and secure environments. Communicate care and value to people in facility details.
